20 March, 2008

Your annual report for the District for the year 2007 follows, and if you have any questions concerning any portion of the report or the Village District itself, please do not hesitate to contact us.

The report basically addresses the financial health and condition of the Village District which as you will note is very good. It also gives other useful information for the record. As is typical, we again experienced a year of relative stability with no unusual happenstances. The business of the Village District was carried on as usual and had minimal direct impact upon our property owners. In accordance with our regular practice, we have kept the lawn area mowed consistently all summer and flower arrangements continue to be displayed in various areas around the beach house property. The annual Village District meeting is scheduled for Saturday the 26th of April 2008 in the beach house. Said meeting will commence at 4:00 p.m. As is normal, we will vote upon current year expenditures planned as well as elect new officers for the year.

Respectfully Submitted

The Board of Commissioners
